

The Education Network's Marking Policy

Below is a marking guide to be used when there is not a school marking policy available for you to use.

Where possible we always advise you to use the school's marking policy and if you cannot find one, check first with another member of staff first to see if they have a copy available.

Symbol	Description
★	What is strong about the work – Link to learning objective/success criteria.
↗	What could be improved/challenge for lesson/next step.
S	Teacher support given.
TA	Child worked with TA.
